    - (c) The Total Unit Area was thereafter *divided* into the Unit Area of each Unit to determine the Allocation of Percentage Shares for each Unit as set forth on Exhibit "3" to this Declaration.
    - (d) Upon addition of Phase II, the Percentage Shares for each Unit shall be recalculated in accordance with the formula set forth in subsections (a) through (c) above.
  - 5.2 <u>Voting</u>. Each Unit Owner shall be a member of the Association. Each Unit shall be entitled to one (1) *vote* to be cast by its Owner in accordance with the provisions of the By-Laws and Articles of Incorporation of the Association. In the *event* Phase II is added each Unit in Phase II will also be entitled to one (1) *vote* to be cast by its Owners as provided *above*.
- 6. <u>Amendments.</u> Except as elsewhere provided herein, amendments to this Declaration may be effected as follows:
  - 6.1 <u>By The Association.</u> Notice of the SUbject matter of a proposed amendment shall be included in the notice of any meeting at which the proposed amendment is to be considered. An amendment may be proposed either by a majority of the Board of Directors of the Association or by not less than one-third (1/3) of the members of the Association. Except as' elsewhere provided, approvals of proposed amendments must be by affirmative *vote* of Unit

Owners owning in excess of 66% of the Units. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing, provided that such approval is delivered to the secretary at or prior to the meeting. Notwithstanding anything to the contrary contained herein, the Association reserves the right to amend this Declaration and the Exhibits annexed hereto so as to correct any errors or omissions not materially and adversely affecting the rights of Unit Owners. Amendments enacted to correct errors or omissions may be approved by a majority of the Board of Directors of the Association.

- 6.2 By The Developer. The Developer, during the time it has the right to elect a majority of the Board of Directors of the Association, may amend the Declaration, the Articles of Incorporation or the By-Laws of the Association to correct an omission or error, or effect any other amendment, except that this procedure for amendment cannot be used if such an amendment would materially and adversely affect substantial property rights of Unit Owners, unless the affected Unit Owners consent thereto. Further, the Developer shall not be permitted to make any amendment which requires the approval of Unit Owners under Section 718.110(4) or (8) of the Act without first obtaining such approval.
- 6.3 Proviso. Unless otherwise provided specifically to the contrary in this Declaration (e.g., in Section 10 hereof), no amendment shall change the configuration or size of any Unit in any material fashion, materially alter or modify the appurtenances to any Unit, or change the percentage by which the Owner of a Unit shares the Common Expenses and owns the Common Elements and Common Surplus, unless the record Owner(s) of the affected Unit(s), and all record owners of liens on the affected Unit(s), shall join in the execution of the amendment and same is also approved by a majority of the votes of the Association. Neither shall an amendment of this Declaration make any change to Section 14 of this Declaration entitled "Insurance" or to Section 15 of this Declaration entitled "Reconstruction or Repair After Fire or Other Casualty" which materially affect mortgagees unless said mortgagees join in the execution of the amendment. In no event shall the consent or joinder of mortgagees be required unless the amendment materially affects the rights or interest of the mortgagees or is otherwise required by the Federal National Mortgage Association or the Federal Home Loan Mortgage Corporation and such consent or joinder may not be unreasonably withheld. Any amendment to this Declaration which would effect the surface water management system (hereafter defined), including water management portions of the Common Elements, must have the prior approval of the Water Management District having jurisdiction.
- Execution and Recording. An amendment, other than amendments made by the Developer alone pursuant to the Act or this Declaration, shall be evidenced by a certificate of the Association which shall include recording data identifying the Declaration and shall be executed with the same formalities required for the execution of a deed. Amendments by the Developer must be evidenced by a similar certificate executed by the Developer alone. An amendment of the Declaration is effective when the applicable certificate together with the amendment is properly recorded in the public records of the County.

No provision of this Declaration shall be revised or amended by reference to its title or number only. Proposals to amend eXisting provisions of this Declaration shall contain the full text of the provision to be amended; new words shall be inserted in the text underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist the understanding of the

proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in sUbstantially the following language: "Substantial rewording of Declaration. See provision ... for present text." Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

## 7. <u>Maintenance and Repairs.</u>

7.1 <u>Units and Limited Common Elements.</u> All maintenance, repairs and replacements of, in or to any Unit and Limited Common Elements appurtenant thereto, whether structural or nonstructural, ordinary or extraordinary, including, without limitation, maintenance, repair and replacement of window screens, the entrance door and all other doors within or affording access to a Unit, and the electrical (including Wiring), plumbing (including fixtures and connections), heating and air conditioning equipment, fixtures and outlets, appliances, carpets and other floor coverings, all interior surfaces and the entire interior of the Unit lying within the boundaries of the Unit or other property belonging to the Unit Owner shall be performed by the Owner of such Unit at the Unit Owner's sole cost and expense, except as otherwise expressly provided to the contrary herein.

Specifically, Unit Owners shall be responsible to clean the interior of all windows and the exterior of all windows that can be accessed from the interior of the Unit. The Association shall clean the exterior surfaces of curtain walls when deemed necessary by the Board of Directors of the Association. Unit Owners shall maintain the terrace and entry court appurtenant to their Unit(s) and shall keep the same neat and tidy, except that in order to maintain a uniform appearance, the Association will paint the exterior walls, exterior of doors, and railing of the terraces when aeemed necessary by the Board of Directors of the Association.

- 7.2 Common Elements. Except to the extent (i) expressly provided to the contrary herein, or (ii) proceeds of insurance are made available therefor, all maintenance, repairs and replacements inor to the Common Elements (other than certain Limited Common Elements as provided in Section 7.1) shall be performed by the Association and the cost and expense thereof shall be charged to all Unit Owners as a Common Expense. The Association shall be responsible for the operation and maintenance of the improvements, facilities and systems utilized in connection with the storm and surface water collection, retention, detention, drainage and disposal services located on the Condominium Property, for maintenance of the Boardwalk and for payment of maintenance costs as provided in the Declaration of Easements attached as Exhibit "6".
- 7.3 <u>Specific Unit Owner Responsibility.</u> The obligation to maintain and repair any air conditioning equipment, plumbing or electrical fixtures or other items of property which service a particular Unit or Units shall be the responsibility of the applicable Unit Owner(s), individually, and not the Association.
- 8. Additions, Alterations or Improvements by the Association. Whenever in the jUdgment of the Board of Directors, the Common Elements, or any part thereof, shall require capital additions, alterations or improvements (as distinguished from repairs and replacements) costing in excess of five percent (5%) of the annual budget in the aggregate in any calendar year, the Association may proceed with such additions, alterations or improvements only if the making of such additions, alterations or improvements shall have been approved by a majority of the Units represented at a meeting at

which a quorum is attained. Any such additions, alterations or improvements to such Common Elem.ents, or any part thereof, costing in the aggregate less then five percent (5%) of the annual bUdget in the aggregate in any calendar year may be made by the Association without approval of the Unit Owners. The cost and expense of any such additions, alterations or improvements to such Common Elements shall be considered a "Special Assessment" of the Unit Owners as provided in Section 13.2 hereof. For purposes of this section, "aggregate in any calendar year" shall include the total debt incurred in that year, if such debt is incurred to perform the above-stated purposes, regardless of whether the repayment of any part of that debt is made beyond that year. These restrictions and the approval procedures shall be applicable instead of the provisions of Section 718.110(3) of The Condominium Act.

- 9. Additions, Alterations or Improvements by Unit Owner.
  - 9.1 Consent of the Board of Directors. No Unit Owner shall make any addition, alteration or improvement in or to the Common Elements, his or her Unit or any Limited Common Element without the prior written consent of the Board of Directors, provided that the Board of Directors shall not withhold its consent to the installation of hurricane shutters as long as same are of a character and have the location and other attributes set forth in specifications adopted as a resolution of the Board. The Board shall have the obligation to answer any written request by a Unit Owner for approval of such an addition, alteration or improvement in such Unit Owner's Unit or Limited Common Elements within forty-five (45) days after such request and all additional information requested is received, and the failure to do so within the stipUlated time shall constitute the Board's consent. The proposed additions, alterations and improvements by the Unit Owners shall be made in compliance with all laws, rules, ordinances and regulations of all governmental authorities having jurisdiction, and with any conditions imposed by the Association with respect to design, structural integrity, aesthetic appeal, construction details, lien protection or otherwise. A Unit Owner making or causing to be made any such additions, alterations or improvements agrees, and shall be deemed to have agreed, for such Owner, and his or her heirs, personal representatives, successors and assigns, as appropriate, to hold the Association, and all other Unit Owners harmless from and to indemnify them for any liability or damage to the Condominium Property and expenses arising therefrom, and shall be solely responsible for the maintenance, repair and insurance thereof from and after that date of installation or construction thereof as may be required by the Association. Notwithstanding the foregoing, in order to allow the Association to obtain the operating history and experience necessary to provide for uniformity in the nature of Unit Owner improvements and to protect the aesthetic appeal of the Condominium, no such requests for additions, alterations or improvements may be presented to the Board for its consideration until such time as the Unit Owners, other than the Developer, have elected a majority of the Board of Directors.
  - 9.2 Additions, Alterations or Improvements by Developer. The Developer shall have the additional right, without the consent or approval of the Board of Directors or other Unit Owners, to make alterations, additions or improvements, structural and non-structural, interior and exterior, ordinary and extraordinary, in, to and upon any Unit owned by it and Limited Common Elements appurtenant thereto (including, without limitation, the removal of walls, floors, ceilings and other structural portions of the Improvements). Notwithstanding the foregoing, none of the alterations described above may result in a change in the configuration or size of a Unit in any material fashion without the approval of the Owners of the Unit(s) affected, the approval of all owners of mortgages and liens on the affected Unit(s), and the approval of the record Owners of all other Units.

- 10. <u>Proviso.</u> Without limiting the generality of the provisions of paragraph 9.2 above, the Developer shall have the right, without the vote or consent of the Association or Unit Owners, to (i) make alterations, additions or improvements in, to and upon Units owned by the Developer, whether structural or non-structural, interior or exterior, ordinary or extraordinary, and (ii) change the layout or number of rooms in any Developer owned Units, subject to the requirements of Section 9.2, above, if applicable.
- 11. Operation of the Condomini!Jm by the Association; powers and Duties.
  - 11.1 <u>powers and Duties.</u> The Association shall be the entity responsible for the operation of the Condominium. The powers and duties of the Association shall include those set forth in the By-Laws and Articles of Incorporation of the Association (respectively, Exhibits "4" and "5" annexed hereto), as amended from time to time. In addition, the Association shall have all the powers and duties set forth in the Act, as well as all powers and duties granted to or imposed upon it by this Declaration, including, without limitation:
    - (a) The irrevocable right to have access to each Unit and its Limited Common Elements from time to time during reasonable hours as may be necessary for the maintenance, repair or replacement of any. Common Elements therein or performing extermination services, or at any time and by force, if necessary, for making emergency repairs therein necessary to prevent damage to the Common Elements or to any other Unit or Units.
    - (b) The power to make and collect Assessments and other charges against Unit Owners and to lease, maintain, repair and replace the Common Elements.
    - (c) The duty to maintain accounting records according to good accounting practices, which shall be open to inspection by Unit Owners or their authorized representatives at reasonable times upon prior request.
    - (d) The power to contract for the management and maintenance of the Condominium Property and to authorize a duly licensed management agent (who may be an affiliate of the Developer) to assist the Association in carrying out its powers and duties by performing such functions as the submission of proposals, collection of Assessments, preparation of records, enforcement of rules and maintenance, repair and replacement of Common Elements with such funds as shall be made available by the Association for such purposes. The Association and its officers shall, however, retain at all times the powers and duties granted in the Condominium documents and the Condominium Act, including, but not limited to, the making of Assessments, promulgation of rules and execution of contracts on behalf of the Association.
    - (e) The power to borrow money, execute promissory notes and other evidences of indebtedness and to give as security therefor mortgages and security interests in property owned by the Association, if any, provided that such actions are approved by a majority of the entire membership of the Board of Directors and of the Units represented at a meeting at which a quorum has been attained, or by such greater percentage of the Board of Unit Owners as may be specified in the By-Laws with respect to certain borrowing, provided further that no such action shall be permitted

while the Developer owns any Unit without the prior written consent of the Developer.

- (f) The power to charge a fee for the exclusive use of any Common Elements by an Owner.
- (g) The power to adopt and amend rules and regulations concerning the details of the operation and use of the Condominium Property.
- (h) The power to acquire real and personal property. Personal property shall be acquired upon a majority vote of the Board of Directors, subject to Section 8 hereof. Real property shall be acquired upon a majority vote of the Board of Directors; provided that the requirements of Section 8 pertaining to the Unit Owners' approval of costs in excess of the threshold amount stated therein (including the proviso as to the debt incurred) shall also apply to the acquisition of real property; provided further, however, that the acquisition of a Unit as a result of a foreclosure of the lien for Assessments shall be made upon a majority vote of the. Board of Directors, regardless of the price for same.
- (i) The authority to operate and maintain the improvements, facilities and systems utilized in connection with the storm and surface water collection, retention, detention, drainage and disposal services for the Condominium (the "surface water management system").
- (j) All of the powers which a corporation not for profit in the State of Florida may exercise pursuant to this Declaration, the Articles of Incorporation and By-Laws, Chapters 607 and 617, Florida Statutes and the Act, in all cases except as expressly limited or restricted in the Act.

In the event of conflict among the powers and duties of the Association or the terms and provisions of this Declaration or the exhibits attached hereto, this Declaration shall take precedence over the Articles of Incorporation, By-Laws and applicable rules and regulations; the Articles of Incorporation shall take precedence over the By-Laws and applicable rules and regulations; and the By-Laws shall take precedence over applicable rules and regulations, all as amended from time to time. Notwitnstanding anything in this Declaration or its exhibits to the contrary, the Association shall at all times be the entity having ultimate authority over the Condominium, consistent with the Act.

Limitation of Liability of Association. Notwithstanding the duty of the Association to maintain and repair parts of the Condominium Property, the Association shall not be liable to Unit Owners for injury or damage, other than for the cost of maintenance and repair, caused by any latent condition of the Condominium Property. Further, the Association shall not be liable for any such injury or damage caused by defects in design or workmanship or any other reason connected with any additions, alterations or improvements done by or on behalf of any Unit Owners regardless if whether or not same shall have been approved by the Association pursuant to Section 9.1 hereof.

Notwithstanding anything contained herein or in the Articles of Incorporation, By-Laws, any rules or regulations of the Association or any other document governing or binding the Association (collectively, the "Association Documents"), the Association shall not be liable or

responsible for, or in any manner a guarantor or insurer of, the health, safety or welfare of any Owner, occupant or user of any portion of the Condominium Property including, without limitation, residents and their families, guests, invitees, agents, servants, contractors or subcontractors or for any property of any such persons. Without limiting the generality of the foregoing:

- (a) It is the express intent of the Association Documents that the various provisions thereof which are enforceable by the Association and which govern or regulate the use of the Condominium Property have been written, and are to be interpreted and enforced, for the sole purpose of enhancing and maintaining the enjoyment of the Condominium Property and the value thereof;
- (b) The Association is not empowered, and has not been created, to act as an entity which enforces or ensures the compliance with the laws of the United States, State of Florida, Pinellas County, The City of Clearwater and/or any other jurisdiction or the prevention of tortious activities; and
- (c) Any provision of the Association Documents setting forth the uses of assessments which relate to health, safety and/or welfare shall be interpreted and applied only as limitations on the uses of assessment funds and not as creating a duty of the Association to protect or further the health, safety or welfare of any person(s), even if assessment funds are chosen to be used for any such reason.

Each Unit Owner (by virtue of his or her acceptance of title to his or her Unit) and each other person having an interest in or lien upon, or making any use of, any portion of the Condominium Property (by virtue of accepting such interest or lien or making such uses) shall be bound by this provision and shall be deemed to have automatically waived any and all rights, claims, demands and causes of action against the Association arising from or connected with any matter for which the liability of the Association has been disclaimed in this provision.

As used in this Section, "Association" shall include within its meaning all of the Association's Directors, officers, committee and Board members, employees, successors and assigns. The provisions of this Article shall also inure to the benefit of the Developer and its affiliates, which shall be fully protected hereby.

11.3 Approval by Unit Owners as to Certain Litigation The approval of a majority of all Unit Owners shall be required prior to the institution of any litigation by the Association other than litigation (i) to collect Assessments or enforce liens securing such Assessments, or (ii) to enforce occupancy and use restrictions set forth in this Declaration. In addition, the approval of a majority of all Unit Owners shall be required prior to the levy of a Special Assessment in which in whole or in part is for the purpose of funding attorneys' fees and costs incurred in connection with any litigation that requires Unit Owner approval as above provided. This paragraph controls over any contrary provision of this Declaration, the Articles of Incorporation or Bylaws. The purpose of this paragraph is to discourage unnecessary litigation by the Association and to provide for concurrence by Unit Owners prior to commencement of certain litigation.

- 11.4 Restraint Upon Assignment of Shares In Assets. The share of a Unit Owner in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his or her Unit.
- 11.5 <u>Approval or Disapproval of Matters.</u> Whenever the decision of a Unit Owner is required upon any matter, whether or not the subject of an Association meeting, that decision shall be expressed by the same person who would cast the vote for that Unit if at an Association meeting, unless the joinder of all record Owners of the Unit is specifically required by this Declaration or by law.
- 11.6 Acts of the Association. Unless the approval or action of Unit Owners, and/or a certain specific percentage of the Board of Directors of the Association, is specifically required in this Declaration, the Articles of Incorporation or By-Laws of the Association, applicable rules and regulations or applicable law, all approvals or actions required or permitted to be given or taken by the Association shall be given or taken by the Board of Directors, without the consent of Unit Owners, and the Board may so approve and act through the proper officers of the Association without a specific resolution. When an approval or action of the Association is permitted to be given or taken hereunder or thereunder, such action or approval may be conditioned in any manner the Association deems appropriate or the Association may refuse to take or give such action or approval without the necessity of establishing the reasonableness of such conditions or refusal.
- 12. <u>Determination of Common Expenses and Fixing of Assessments Therefor.</u> The Board of Directors shall from time to time, and at least annually, prepare a bUdget for the Condominium, determine the amount of Assessments payable by the Unit Owners to meet the Common Expenses of the Condominium and allocate and assess such expenses among the Unit Owners in accordance with the provisions of this Declaration and the By-Laws. The Board of Directors shall advise all Unit Owners promptly in writing of the amount of the Assessments payable by each of them as determined by the Board of Directors as aforesaid and shall furnish copies of each budget, on which such Assessments are based, to all Unit Owners and (if requested in writing) to their respective mortgagees. The Common Expenses shall include the expenses of and reserves for (if required by law) the operation, maintenance, repair and replacement of the Common Elements, costs of carrying out the powers and duties of the Association and any other expenses designated as Common Expenses by the Act, this Declaration, the Articles or By-Laws of the Association, applicable rules and regulations or by the Association. Incidental income to the Association, if any, may be used to pay regular or extraordinary Association expenses and liabilities, to fund reserve accounts, or otherwise as the Board shall determine from time to time, and need not be restricted or accumulated. Any Budget adopted shall be subject to change to cover actual expenses at any time. Any such change shall be adopted consistent with the provisions of the By-Laws.

## 13. Collection of Assessments.

Liability for Assessments. A Unit Owner, regardless of how title is acquired, including by purchase at a foreclosure sale or by deed in lieu of foreclosure, shall be liable for all Assessments coming due while he or she is the Unit Owner. In the case of a conveyance, the grantee shall be jointly and severally liable with the grantor for all unpaid Assessments against the grantor for his or her share of the Common Expenses up to the time of the conveyance, without prejudice to any right the grantee may have to recover from the grantor the amounts paid by the grantee. The liability for Assessments may not be avoided by waiver of the use or enjoyment of any Common Elements or by the abandonment of the Unit

for which the Assessments are made or otherwise.

- 13.2 <u>Special Assessments.</u> In addition to Assessments levied by the Association to meet the Common Expenses of the Condominium, the Board of Directors may, except as otherwise provided in the Declaration, levy "Special Assessments" upon the following terms and conditions:
  - (a) "Special Assessments" shall mean or refer to a charge against each Owner and his or her Unit, representing a portion of the costs incurred by the Association for specific purposes of a nonrecurring nature.
  - (b) Special Assessments may be levied by the Board of Directors and shall be payable in lump sums or installments, in the discretion of the Board; provided that, if such Special Assessment, in the aggregate in any year, exceed \$10,000.00 or cause the total Assessments levied to exceed 115% of Assessments for the preceding calendar year, for any purpose other than the exercise of the Association's right to purchase a Unit pursuant to Section 18.2 of this Declaration, the Board must obtain approval of a majority of the Units represented at a meeting at which a quorum is attained.
- 13.3 Default in payment of Assessments. Assessments and installments thereof not paid within ten (10) days from the date when they are due shall bear interest at eighteen percent (18%) per annum from the date due until paid and shall be subject to an administrative late fee in an amount not to exceed the greater of \$25.00 or five percent (5%) of each delinquent installment. The Association has a lien on each Condominium Parcel for any unpaid Assessments on such Parcel. The lien is effective and shall relate back to the recording of the Declaration, provided that as to Institutional First Mortgagees, the lien is effective from and after recording of the claim of lien. The claim of lien shall state the description of the Condominium Parcel, the name of the record Owner, the name and address of the Association, the amount due and the due dates. It must be executed and acknowledged by an officer or authorized agent of the Association and shall be recorded in the Public Records of Pinellas County, Florida. The claim of lien shall not be released until all sums secured by it (or such other amount as to which the Association shall agree by way of settlement) have been fully paid but in no event for a period exceeding one year, unless lien enforcement action has commenced in a court of competent jurisdiction during such year. The one year period shall automatically be extended for any length of time during which the Association is prevented from filing a foreclosure action by an automatic stay resulting from a bankruptcy petition filed by the Unit Owner or any other person claiming an interest in the Condominium Parcel. The claim of lien shall secure (whether or not stated therein) all unpaid assessments, interest thereon and costs and attorneys' fees which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a final judgment of foreclosure thereof. Upon full payment, the person making the payment is entitled to a satisfaction of the lien in recordable form. The Association may bring an action in its name to foreclose a lien for unpaid Assessments in the manner a mortgage of real property is foreclosed and may also bring an action at law to recover a money judgment for the unpaid Assessments without waiving any claim of lien. As an additional right and remedy of the Association, upon default in the payment of Assessments as aforesaid and after thirty (30) days' prior written notice to the applicable Unit Owner and the recording of a claim of lien, the Association may declare the Assessment installments for the remainder of the budget year in which the claim of lien is filed to be accelerated and shall thereupon be

immediately due and payable. In the event that the amount of such installments change during said period, the Unit Owner or the Association, as appropriate, shall be obligated to payor reimburse to the other the amount of increase or decrease within ten (10) days of same taking effect.

Any payments received by the Association from a delinquent Unit Owner shall be applied first to any interest accrued as provided above, then to any administrative late fee, then to any costs and reasonable attorneys fees incurred in collection as aforesaid and then to the delinquent and any accelerated Assessment.

- Notice of Intention to Foreclose Lien. No foreclosure judgment may be entered until at least thirty (30) days after the Association gives written notice to the Unit Owner of its intention to foreclose its lien to collect the unpaid Assessments. If this notice is not given at least thirty (30) days before the foreclosure action is filed, and if the unpaid Assessments, including those coming due after the claim of lien is recorded, are paid before the entry of a final judgment of foreclosure, the Association shall not recover attorney's fees or costs. The notice must be given by delivery of a copy of it to the Unit Owner or by certified or registered mail, return receipt requested, addressed to the Unit Owner at the last known address, and upon such mailing, the notice shall be deemed to have been given. If after diligent search and inquiry the Association cannot find the Unit Owner or a mailing address at which the Unit Owner will receive the notice, the court may proceed with the foreclosure action and may award attorney's fees and costs as permitted by law. The notice reqUirements of this subsection are satisfied if the Unit Owner records a Notice of Contest of Lien as provided in the Act.
- AppOintment of Receiver to Collect Rental. If the Unit Owner remains in possession of the Unit after a foreclosure judgment has been entered, the court in its discretion may require the Unit Owner to pay a reasonable rental for the Unit. If the Unit is rented or leased during the pendency of the foreclosure action, the Association is entitled to the appointment of a receiver to collect the rent, the expenses of such receiver to be paid by the party which does not prevail in the foreclosure action.
- 13.6 Institutional First Mortgagee. In the event a first mortgagee or other purchaser shall obtain title to a Unit as a result of a foreclosure action in which the Association has been joined as a defendant, or as a result of a deed given in lieu of foreclosure or in satisfaction of debt. such acquirer of title or its successors and assigns ("first mortgagee") shall be liable for the share of Common Expenses or Assessments or other charges imposed by the Association pertaining to such Condominium Parcel or chargeable to the former Unit Owner of such Condominium Parcel which became due prior to acqUisition of title as a result of the foreclosure or the acceptance of such deed in lieu of foreclosure or in satisfaction of debt. However, the first mortgagee's liability as aforesaid shall be limited to (i) the Units Common Expenses or Assessments which accrued or came due during the six months immediately preceding the acquisition of title and for which payment in full has not been received by the Association or (ii) one percent (1%) of the original mortgage debt, whichever is less. The provisions of this Section 13.6 shall not apply unless the first mortgagee joins the Association as a defendant in the foreclosure action. Joinder is not required if, on the date the complaint is filed, the Association was dissolved, administratively or otherwise, or did not maintain an office or agent for service of process at a location which was known or reasonably discoverable by the first mortgagee by the date the foreclosure action was filed. The person acquiring title shall pay the amount owed to the Association within thirty (30)

days of transfer of title. The unpaid share of Common Expenses or Assessments are Common Expenses collectible from all of the Unit Owners, including such acquirer and its successors and assigns. A first mortgagee acquiring title to a Condominium Parcel as a result of foreclosure, or a deed in lieu of foreclosure, may not, during the period of its ownership of such Condominium Parcel, whether or not the Unit is occupied, be excused from the payment of same or all of the Common Expenses coming due during the period of such ownership.

- 13.7 <u>Certificate of Unpaid Assessments.</u> Within fifteen (15) days after request by a Unit Owner or mortgagee of a Unit, the Association shall provide a certificate stating all assessments and other moneys owed to the Association by the Unit Owner with respect to his Unit. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby.
- 13.8 <u>Installments.</u> Regular Assessments shall be collected monthly or quarterly, in advance, as determined from time to time by the Board of Directors. Initially, Assessments will be collected monthly.
- 14. <u>Insurance.</u> Insurance covering the Condominium Property and the Association Property shall be governed by the following provisions:
  - 14.1 purchase, Custody and payment.
    - (a) <u>purchase.</u> All insurance policies described herein covering portions of the Condominium Property shall be purchased by the Association and shall be issued by an insurance company or provider authorized to do business in Florida.
    - (b) <u>Named Insured.</u> The named insured shall be the Association, individually, and as agent for Owners of Units covered by the policy, without naming them, and as agent for their mortgagees, without naming them. The Unit Owners and their mortgagees shall be deemed additional insureds.
    - (c) <u>Custody of policies and Payment of Proceeds.</u> All policies shall provide that payments for losses made by the insurer shall be paid to the Insurance Trustee (if appointed), and copies of all policies and endorsements thereto shall be deposited with the Insurance Trustee (if appointed)
    - (d) Copies to Mortgagees. One copy of each insurance policy, or a certificate evidencing such policy, and all endorsements thereto, shall be furnished by the Association upon request to each Institutional First Mortgagee who holds a mortgage upon a Unit covered by the policy. Copies or certificates shall be furnished not less than ten (10) days prior to the beginning of the term of the policy, or not less than ten (10) days prior to the expiration of each preceding policy that is being renewed or replaced, as appropriate.
    - (e) Personal Property and Liability. Except as specifically provided herein or by the Act, the Association shall not be responsible to Unit Owners to obtain insurance coverage upon the property lying within the boundaries of their Unit, including, but not limited to, their personal property, and for their personal liability and living expense and for any other risks not otherwise insured in accordance herewith.

- 14.2 <u>Coverage.</u> The Association shall maintain insurance covering the following:
  - Casualty. The Building, including all fixtures, installations or additions comprising (a) that part of the Building within the boundaries of the Units and required by the Act to be insured under the Association's policy(ies) - but excluding (i) all furniture, furnishings, floor coverings, wall coverings and ceiling coverings or other personal property owned, supplied or installed by Unit Owners or tenants of Unit Owners. and (ii) electrical fixtures, appliances, air conditioners or heating equipment, water heaters and built-in cabinets which are located in Units and the repair and replacement responsibility of Owners - and all Improvements located on the Common Elements or Association Property from time to time, together with all fixtures, building service equipment, personal property and supplies constituting the Common Elements or Association Property (collectively the "Insured Property"). shall be insured against casualty loss (excluding loss by flood and other causes excluded from typical condominium package policy) in an amount not less than 100% of the full insurable replacement cost thereof, excluding foundation and excavation costs. Such policies may contain reasonable deductible provisions as determined by the Board of Directors of the Association. Such coverage shall afford protection against such other risks as from time to time are customarily covered with respect to buildings and improvements similar to the Insured Property in construction, location and use, including, but not limited to, vandalism and malicious mischief.
  - (b) <u>Liability.</u> Comprehensive general public liability insurance covering loss or damage resulting from accidents or occurrences on or about or in connection with the Insured Property or adjoining driveways and walkways, or any work, matters or things related to the Insured Property, with such *coverage* as shall be required by the Board of Directors of the Association.
  - (c) <u>Worker's Compensation</u> Worker's Compensation and other mandatory insurance, when applicable.

  - (e) <u>Fidelity Insurance</u> As required by the Act adequate insurance or fidelity bonding covering all persons who control or disburse Association funds. The insurance policy or fidelity bond shall *cover* the maximum amount of funds that will be in the custody of the Association or its management agent at anyone time.
  - (f) <u>Association Property.</u> Appropriate additional policy provisions, policies or endorsements extending the applicable portions of the *coverage* described *above* to all Association Property, where such *coverage* is available and determined by the Board of Directors to be desirable.
  - (g) Such Other Insurance as the Board of Directors of the Association shall determine from time to time to be desirable.

- (h) Policy Provisions. When appropriate and obtainable, each of the foregoing policies shall waive the insurer's right to: (i) subrogation against the Association and against the Unit Owners indiVidually and as a group, (ii) to pay only a fraction of any loss in the event of coinsurance or if other insurance carriers have issued coverage upon the same risk, and (iii) avoid liability for a loss that is caused by an act of the Board of Directors of the Association, a member of the Board of Directors of the Association, one or more Unit Owners or'as a result of contractual undertakings. Additionally, if appropriate and obtainable, each policy shall provide that any insurance trust agreement will be recognized, that the insurance provided shall not be prejudiced by any act or omissions of individual Unit Owners that are not under the control of the Association, and that the policy shall be primary, even if a Unit Owner has other insurance that covers the same loss.
- (i) <u>Disclaimer.</u> All Unit Owners, mortgagees and others should be aware of the fact that because of exclusions from coverage, changes in construction costs, land and profit components in sales prices and other factors, the amount of insurance coverage available in the event of substantial damage to the Condominium Property, the proceeds available for reconstruction and/or retirement of mortgage debt may not be entirely sufficient for such purposes. Accordingly, all persons are advised to consult with their own insurance providers as to what supplemental coverage may be available under their own policies to mitigate any impact of a shortage of proceeds for Association policies.
- 14.3 <u>Additional Provisions.</u> All policies of insurance shall provide that such policies may not be canceled or substantially modified without at least thirty (30) days' prior written notice to all of the named insureds, including all mortgagees of Units.
- 14.4 <u>premiums.</u> Premiums upon insurance policies purchased by the Association shall be paid by the Association as a Common Expense. Premiums may be financed in such manner as the Board of Directors deems appropriate.
- 14.5 <u>Insurance TrLJstee</u>; <u>Share of proceeds</u>. All insurance policies obtained by or on behalf of the Association shall be for the benefit of the Association, the Unit Owners and their mortgagees, as their respective interests may appear, and shall provide that all proceeds covering property losses shall be paid to the Insurance Trustee which may be designated by the Board of Directors and which, if so appointed, shall be a bank or trust company in Florida with trust powers, with its principal place of business in the State of Florida or one or more of the Directors or Officers of the Association. The Insurance Trustee shall not be liable for payment of premiums, nor for the renewal or the sufficiency of policies, nor for the failure to collect any insurance proceeds. The duty of the Insurance Trustee shall be to receive such proceeds as are paid and to hold the same in trust for the purposes elsewhere stated herein, and for the benefit of the Unit Owners and their respective mortgagees in the following shares, but shares need not be set forth on the records of the Insurance Trustee:
  - (a) Insured Property. Proceeds on account of damage to the Insured Property shall be held in undivided shares for each Unit Owner, such shares being the same as the undivided shares in the Common Elements appurtenant to each Unit, provided that if the Insured Property so damaged includes property lying within the boundaries of specific Units or their terraces, that portion of the proceeds allocable to such property shall be held as if that portion of the Insured Property were Optional

Property as described in paragraph (b) below.

- (b) Optional property. Proceeds on account of damage solely to Units or their terraces and/or certain portions or all of the contents thereof not included in the Insured Property (all as determined by the Association in its sole discretion) (collectively the "Optional Property"), if any is collected by reason of optional insurance which the Association elects to carry thereon (as contemplated herein), shall be held for the benefit of Owners of Units or other portions of the Optional Property damaged in proportion to the cost of repairing the damage suffered by each such affected Owner, which cost and allocation shall be determined in the sole discretion of the Association.
- (c) Mortgagees. No mortgagee shall have any right to determine or participate in the determination as to whether or not any damaged property shall be reconstructed or repaired, and no mortgagee shall have any right to apply or have applied to the reduction of a mortgage debt any insurance proceeds, except for actual distributions thereof made to the Unit Owner and mortgagee pursuant to the provisions of this Declaration.
- 14.6 <u>Distribution of proceeds.</u> Proceeds of insurance policies received by the Insurance Trustee shall be distributed to or for the benefit of the beneficial owners thereof in the following manner:
  - (a) Expenses of the Trust. All expenses of the Insurance Trustee shall be first paid or provision shall be made therefor.
  - (b) Reconstruction or Repair. If the damaged property for which the proceeds are paid is to be repaired or reconstructed, the remaining proceeds shall be paid to defray the cost thereof as elsewhere provided herein. Any proceeds remaining after defraying such costs shall be distributed to the beneficial owners thereof, remittances to Unit Owners and their mortgagees being payable jointly to them.
  - (c) <u>Failure to Reconstruct or Repair.</u> If it is determined in the manner elsewhere provided that the damaged property for which the proceeds are paid shall not be reconstructed or repaired, the remaining proceeds shall be allocated among the beneficial owners as provided in Section 14.5 above, and distributed first to all Institutional First Mortgagees in an amount sufficient to payoff their mortgages, and the balance, if any, to the beneficial owners.
  - (d) <u>Certificate.</u> In making distributions to Unit Owners and their mortgagees, the Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary as to the names of the Unit Owners and their mortgagees and their respective shares of the distribution.
- 14.7 <u>Association as Agent.</u> The Association is hereby irrevocably appointed as agent and attorney-in-fact for each Unit Owner and for each owner of a mortgage or other lien upon a Unit and for each owner of any other interest in the Condominium Property to adjust all claims arising under insurance policies purchased by the Association and to execute and deliver releases upon the payment of claims.

- 14.8 <u>Unit Owners' personal Coverage.</u> Unless the Association elects otherwise, the insurance purchased by the Association shall not cover claims against an Owner arising from occurrences within his Unit, nor casualty or theft loss to the contents of an Owner's Unit. It shall be the obligation of the individual Unit Owner, if such Owner so desires, to purchase and pay for insurance as to all such and other risks not covered by insurance carried by the Association. The foregoing shall also apply to terraces of Units, assigned storage closets, and other Limited Common Elements.
- 14.9 <u>Benefit of Mortgagees.</u> Certain provisions in this Section 14 entitled "Insurance" are for the benefit of mortgagees of Units and may be enforced by such mortgagees.
- 14.10 <u>Insurance Trustee.</u> The Board of Directors of the Association shall have the option in its discretion of appointing an Insurance Trustee hereunder. If the Association fails or elects not to appoint such Trustee, the Association will perform directly all obligations imposed upon such Trustee by this Declaration. Fees and expenses of any Insurance Trustee are Common Expenses.
- 14.11 <u>Presumption as to Damaged property.</u> In the event of a dispute or lack of certainty as to whether damaged property constitutes a Unit(s) or Common Elements, such property shall be presumed to be Common Elements.
- 15. Reconstruction or Repair After Fire or Other Casualty.
  - 15.1 <u>Determination to Reconstruct or Repair.</u> Subject to the immediately following paragraph, in the event of damage to or destruction of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) as a result of fire or other casualty, the Board of Directors shall arrange for the prompt repair and restoration of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) and the Insurance Trustee (if appointed) shall disburse the proceeds of all insurance policies to the contractors engaged in such repair and restoration in appropriate progress payments.

If 75% or more of the Insured Property (and the Optional Property, if insurance has been obtained by the Association with respect thereto) is substantially damaged or destroyed and if Unit Owners owning 80% of the applicable interests in the Common Elements duly and promptly resolve not to proceed with the repair or restoration thereof and a majority of Institutional First Mortgagees approve such resolution, the Condominium Property will not be repaired and provided an instrument terminating the Condominium is first recorded in accordance with The Condominium Act, the Condominium Property shall be subject to an action for partition instituted by the Association, any Unit Owner, mortgagee or lienor, as if the Condominium Property were owned in common, in which event the net proceeds of insurance resulting from such damage or destruction shall be divided among all the Unit Owners in proportion to their respective interests in the Common Elements (with respect to proceeds held for damage to the Insured Property other than that portion of the Insured Property lying within the boundaries of the Unit), and among affected Unit Owners in proportion to the damage suffered by each such affected Unit Owner, as determined in the sole discretion of the Association (with respect to proceeds held for damage to the Optional Property, if any, and/or that portion of the Insured Property lying within the boundaries of the Unit); provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such fund all mortgages and liens on his Unit in the order of

priority of such mortgages and liens.

Whenever in this Section the words "promptly repair" are used, it shall mean that repairs are to begin not more than sixty (60) days from the date the Insurance Trustee (if appointed) notifies the Board of Directors and Unit Owners that it holds proceeds of insurance on account of such damage or destruction sufficient to pay the estimated cost of such work, or not more than ninety (90) days after the Insurance Trustee (if appointed) notifies the Board of Directors and the Unit Owners that such proceeds of insurance are insufficient to pay the estimated costs of such work. The Insurance Trustee (if appointed) may rely upon a certificate of the Association made by its President and Secretary to determine whether or not the damaged property is to be reconstructed or repaired.

- 15.2 <u>plans and Specifications.</u> Any reconstruction or repair must be made SUbstantially in accordance with the plans and specifications for the original Improvements and then applicable building and other codes; or if not, then in accordance with the plans and specifications approved by the Board of Directors of the Association and then applicable building and other codes, and if the damaged property which is to be altered is the Building or the Optional Property, by the Owners of not less than 80% of the applicable interests in the Common Elements, as well as the Owners of all Units, Limited Common Elements and other portions of the Optional Property (and their respective mortgagees) the plans for which are to be altered.
- Special Responsibility. If the damage is only to those parts of the Optional Property for which the responsibility of maintenance and repair is that of the respective Unit Owners, then the Unit Owners shall be responsible for all necessary reconstruction and repair, which shall be effected promptly and in accordance with guidelines established by the Board of Directors (unless insurance proceeds are held by the Association with respect thereto by reason of the purchase of optional insurance thereon, in which case the Association shall have the responsibility to reconstruct and repair the damaged Optional Property, provided the respective Unit Owners shall be individually responsible for any amount by which the cost of such repair or reconstruction exceeds the insurance proceeds held for such repair or reconstruction on a Unit by Unit basis, as determined in the sole discretion of the Association). In all other instances, the responsibility for all necessary reconstruction and repair shall be that of the Association.
  - (a) <u>Disbursement.</u> The proceeds of insurance collected on account of a casualty, and the sums collected from Unit Owners on account of such casualty, shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:
    - (i) <u>Association Lesser Damage.</u> If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is less than \$500,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon request to the Insurance Trustee (if appointed) by an Institutional First Mortgagee which is a beneficiary of an insurance policy, the proceeds of which are included in the construction fund, such fund shall be disbursed in the manner provided below for the reconstruction and repair of major damage.

- (ii) <u>Association Major Damage.</u> If the amount of the estimated costs of reconstruction and repair which are the responsibility of the Association is more than \$500,000.00, then the construction fund shall be disbursed in payment of such costs in the manner contemplated by SUbparagraph (i) above, but then only upon the further approval of an architect or engineer qualified to practice in Florida and employed by the Association to supervise the work.
- Unit Owners. If there is a balance of insurance proceeds after payment of (iii) all costs of reconstruction and repair that are the responsibility of the Association, this balance may be used by the Association to effect repairs to the Optional Property (if not insured or if under-insured), or may be distributed to Owners of the Optional Property who have the responsibility for reconstruction and repair thereof. The distribution shall be in the proportion that the estimated cost of reconstruction and repair of such damage to each affected Unit Owner bears to the total of such estimated costs to all affected Unit Owners, as determined by the Board; provided, however, that no Unit Owner shall be paid an amount in excess of the estimated costs of repair for his portion of the Optional Property. All proceeds must be used to effect repairs to the Optional Property, and if insufficient to complete such repairs, the Owners shall pay the deficit with respect to their portion of the Optional Property and promptly effect the repairs. Any balance remaining after such repairs have been effected shall be distributed to the Unit Owners and their mortgagees jointly in accordance with their respective share of such proceeds determined as provided in Section 14.5 above.
- (iv) <u>Surplus.</u> It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs relating to the reconstruction and" repair for which the fund is established, such balance shall be distributed to the beneficial owners of the fund in the manner stated in 14.5 above; except, however, that part of a distribution to an Owner which is not in excess of Assessments paid by such Owner into the construction fund shall not be made payable jointly to any mortgagee.
- (v) Certificate. Notwithstanding the provisions herein, the Insurance Trustee shall not be required to determine whether or not sums paid by Unit Owners upon Assessments shall be deposited by the Association with the Insurance Trustee, nor to determine whether the disbursements from the construction fund are to be made upon the order of the Association alone or upon the additional approval of an architect, engineer or otherwise, nor whether a disbursement is to be made from the construction fund, nor to determine whether surplUS funds to be distributed are less than the Assessments paid by Owners, nor to determine the payees nor the amounts to be paid. The Insurance Trustee may rely upon a certificate of the Association, made by its President and Secretary, as to any or all of such matters and stating that the sums to be paid are due and properly payable, and stating the names of the payees and the amounts to be paid.

- Assessments. If the proceeds of the insurance are not sufficient to defray the estimated costs of reconstruction and repair to be effected by the Association, or if at any time during reconstruction and repair, or upon completion of reconstruction and repair, the funds for the payment of the costs of reconstruction and repair are insufficient, Assessments shall be made against the Unit Owners in sufficient amounts to provide funds for the payment of such costs. Such Assessments shall be in proportion to all of the Owners' respective shares in the Common Elements. In the event of insufficient proceeds of insurance on Optional Property, the shortage shall be the individual responsibility of the Owners thereof.
- 15.5 <u>Benefit of Mortgagees.</u> Certain provisions in this Section 15 are for the benefit of mortgagees of Units and may be enforced by any of them.

## 16. Condemnation.

- Deposit of Awards with Insurance Trustee. The taking of portions of the Condominium Property by the exercise of the power of eminent domain shall be deemed to be a casualty, and the awards for that taking shall be deemed to be proceeds from insurance on account of the casualty and shall be deposited with the Insurance Trustee. Even though the awards may be payable to Unit Owners, the Unit Owners shall deposit the awards with the Insurance Trustee; and in the event of failure to do so, in the discretion of the Board of Directors of the Association, or the amount of that award shall be set off against the sums hereafter made payable to the defaulting Owner (and if the award exceeds such sums, the Association shall have the right to bring legal action against that Owner).
- 16.2 <u>Determination Whether to Continue Condominium.</u> Whether the Condominium will be continued after condemnation will be determined in the manner provided for determining whether damaged property will be reconstructed and repaired after casualty. For this purpose, the taking by eminent domain also shall be deemed to be a casualty.
- Disbursement of Funds. If the Condominium is terminated after condemnation, the proceeds of the awards and Special Assessments will be deemed to be insurance proceeds and shall be owned and distributed in the manner provided with respect to the ownership and distribution of insurance proceeds if the Condominium is terminated after a casualty. If the Condominium is not terminated after condemnation, the size of the Condominium will be reduced and the property damaged by the taking will be made usable in the manner provided below. The proceeds of the awards and special Assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursement of funds by the Insurance Trustee (if appointed) after a casualty, or as elsewhere in this Section 16 specifically provided.
- 16.4 <u>Unit Reduced but Habitable.</u> If the taking reduces the size of a Unit or its Limited Common Elements and the remaining portion of the Unit can be made habitable (in the sole opinion of the Association), the award for the taking of a portion of the Unit or its Limited Common Elements shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:
  - (a) Restoration of Unit. The Unit shall be made habitable. If the cost of the restoration exceeds the amount of the award, the additional funds required shall be the individual responsibility of the Owner of the Unit.

- (b) <u>Distribution of Surplus.</u> The balance of the award in respect of the Unit or its Limited Common Elements, if any, shall be distributed to the Owner of the Unit and to each mortgagee of the Unit, the remittance being made payable jointly to the Owner and such mortgagees.
- (c) Adjustment of Shares in Common Elements. If the floor area of the Unit is reduced by the taking, the percentage representing the share in the Common Elements and of the Common Expenses and Common SurplUS appurtenant to the Unit shall be reduced by multiplying the percentage of the applicable Unit prior to reduction by a fraction, the numerator of which shall be the area in square feet of the Unit after the taking and the denominator of which shall be the area in square feet of the Unit before the taking. The shares of all Unit Owners in the Common Elements, Common Expenses and Common Surplus shall then be restated as follows:
  - (i) add the total of all percentages of all Units after reduction as aforesaid (the "Remaining Percentage Balance"); and
  - (li) divide each percentage for each Unit after reduction as aforesaid by the Remaining Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit. No Limited Common Elements shall be used in the aforesaid calculations.

- 16.5 <u>Unit Made Uninhabitable.</u> If the taking is of the entire Unit or so reduces the size of a Unit that it cannot be made habitable (in the sale opinion of the Association), the award for the taking of the Unit shall be used for the following purposes in the order stated and the following changes shall be made to the Condominium:
  - (a) payment of Award. The awards shall be paid first to the applicable Institutional First Mortgagees in amounts sufficient to payoff their mortgages in connection with each Unit which is not so habitable; second, to the Association for any due and unpaid Assessments; third, jointly to the affected Unit Owners and other mortgagees of their Units. In no event shall the total of such distributions in respect of a specific Unit exceed the market value of such Unit immediately prior to the taking. The balance, ifany, shall be applied to repairing and replacing the Common Elements.
  - (b) Addition to Common Elements. The remaining portion of the Unit, if any, shall become part of the Common Elements and shall be placed in a condition allowing, to the extent possible, for use by all of the Unit Owners in the manner approved by the Board of Directors of the Association; provided that if the cost of the work therefor shall exceed the balance of the fund from the award for the taking, such work shall be approved in the manner elsewhere required for capital improvements to the Common Elements.
  - (c) Adjustment of Shares. The shares in the Common Elements, Common Expenses and Common Surplus appurtenant to the Units that continue as part of the Condominium shall be adjusted to distribute the shares in the Common Elements, Common Expenses and Common Surplus among the reduced number of Unit Owners (and among reduced Units). This shall be effected by restating the shares of continuing Unit Owners as follows:

- (i) add the total of all percentages of all Units of continuing Owners prior to this adjustment, but after any adjustments made necessary by subsection 16.4(c) hereof (the "Percentage Balance"); and
- (ii) divide the percentage of each Unit of a continuing Owner prior to this adjustment, but after any adjustments made necessary by subsection 16.4(c) hereof, by the Percentage Balance.

The result of such division for each Unit shall be the adjusted percentage for such Unit.

- (d) Assessments. If the balance of the award (after payments to the Unit Owner and such Owner's mortgagees as above provided) for the taking is not sufficient to alter the remaining portion of the Unit for use as a part of the Common Elements, the additional funds required for such purposes shall be raised by Assessments against all of the Unit Owners who will continue as Owners of Units after the changes in the Condominium effective by the taking. The Assessments shall be made in proportion to the applicable percentage shares of those Owners after all adjustments to such shares effected pursuant hereto by reason of the taking.
- (e) Arbitration. If the market value of a Unit prior to the taking cannot be determined by agreement between the Unit Owner and mortgagees of the Unit and the Association within 30 days after notice of a dispute by any affected party, such value shall be determined by arbitration in accordance with the then existing rules of the American Arbitration Association who shall base their determination upon an average of their appraisals of the Unit. A judgment upon the decision rendered by the arbitrators may be entered in any court of competent jurisdiction in accordance with the Florida Arbitration Code. The cost of arbitration proceedings shall be assessed against all Unit Owners, including Owners who will not continue after the taking, in proportion to the applicable percentage shares of such Owners as they exist prior to the adjustments to such shares effected pursuant hereto by reason of the taking.
- Taking of Common Elements. Awards for the taking of Common Elements shall be used to render the remaining portion of the Common Elements usable in the manner approved by the Board of Directors of the Association; provided, that if the cost of such work shall exceed the balance of the funds from the awards for the taking, the work shall be approved in the manner elsewhere reqUired for capital improvements to the Common Elements. The balance of the awards for the taking of Common Elements, if any, shall be distributed to the Unit Owners in the shares in which they own the Common Elements after adjustments to these shares effected pursuant hereto by reason of the taking. If there is a mortgage on a Unit, the distribution shall be paid jointly to the Owner and the mortgagees of the Unit.
- Amendment of <u>Declaration</u>. The changes in Units, in the Common Elements and in the ownership of the Common Elements and share in the Common Expenses and Common Surplus that are effected by the taking shall be evidenced by an amendment to this Declaration of Condominium that is only required to be approved by, and executed upon the direction of, a majority of all Directors of the Association.

- 17. Occupancy and Use Restrictions. In order to provide for congenial occupancy of the Condominium Property and for the protection of the values of the Units, the use of the Condominium Property shall be restricted to and shall be in accordance with the following provisions:
  - 17.1 Occupancy. Each Unit shall be used as a residence only, except as otherwise herein expressly provided. A Unit owned by an individual, corporation, partnership, trust or other fiduciary may only be occupied by the following persons, and such persons' families, provided that the Unit Owner or other permitted occupant must reside with his/her family: (i) the individual Unit Owner, (ii) an officer, director, stockholder, employee or designee of such corporation. (iii) a partner, employee or designee of such partnership, (iv) the fiduciary or beneficiary of such fiduciary, or (v) permitted occupants under an approved lease or sublease of the Unit (as described below), as the case may be. Occupants of an approved leased or subleased Unit must be the following persons, and such persons' families who reside with them: (i) an individual lessee or sublessee, (ii) an officer, director, stockholder, employee or designee of a corporate lessee or sublessee, (iii) a partner, employee or designee of a partnership lessee or sublessee, or (iv) a fiduciary or beneficiary of a fiduciary lessee or sublessee. In no event shall occupancy of a Unit (except for temporary occupancy by visiting quests) exceed the greater of six (6) persons in the entire Unit or two (2) persons per bedroom. The Board of Directors shall have the power to authorize occupancy of a Unit by persons in addition to those set forth above. The provisions of this subsection 17.1 shall not be applicable to Units used by the Developer for model apartments, guest accommodations, sales or other offices or management services.

As used herein, "family" or words of similar import shall be deemed to include a spouse, children, parents, brothers, sisters, grandchildren and other persons permanently cohabiting the Unit as or together with the Owner or permitted occupant thereof. As used herein, "guest" or words of similar import shall include only those persons who have a principal residence other than the Unit. The purpose of this paragraph is to prohibit the circumvention of the provisions and intent of this Section 17 and the Board of Directors of the Association shall enforce, and the Unit Owners comply with, same with due regard for such purpose.

- 17.2 <u>Children.</u> Children shall be permitted to reside in Units but shall be subject to the age restrictions imposed as to use of certain recreation facilities, as provided in the rules and regulations of the Association.
- Pets. Each Unit Owner or occupant (regardless of the number of joint owners or occupants) 17.3 may maintain no more than two (2) household pets in his or her Unit, to be limited to dog(s) or cat(s) with a total combined weight of not more than eighty (80) pounds at maturity (or other household pet defined as such and specifically permitted by the Board of Directors of the Association), provided it is not kept, bred or maintained for any commercial purpose, does not become a nuisance or annoyance to neighbors and is first registered with the Association. No reptiles or wildlife shall be kept in or on the Condominium Property (including Units). Unit Owners must piCk-up all solid wastes of their pets and dispose of such wastes appropriately. All pets (including cats) must be kept on a leash no more than six (6) feet in length at all times when outside the Unit and shall be taken only within areas, if any, designated for such purpose by the Association. No pets may be kept in/on terraces when the Owner is not in the Unit. Without limiting the generality of Section 19 hereof, violation of the provisions of this paragraph shall entitle the Association to all of its rights and remedies, including, but not limited to, the right to fine Unit Owners (as provided in any applicable rules and regUlations) and/or to require any pet to be permanently removed from

the Condominium Property. This'Section 17.3 shall not prohibit the keeping of fish or a caged household-type bird(s) in a Unit, provided that a bird(s) is not kept on Limited Common Elements and does not become a nuisance or annoyance to neighbors. Notwithstanding any of the foregoing, however, neither this Section 17.3, any other provision of this Declaration nor any rule or regulation of the Association shall be enforced, adopted or amended so as to prohibit or unlawfully restrict any right of the Owner or occupant of a Unit to keep and use a seeing eye dog or other assistive animal for purposes provided for in any local, state or federal law, statute or ordinance protecting the applicable person's right to do so.

- Alterations Without limiting the generality of Section 9.1 hereof, but subject to the proviso contained therein as to hurricane shutters, and subject to Section 10 hereof, no Unit Owner shall cause or allow improvements or changes to any Unit, Limited Common Elements appurtenant thereto or Common Elements, including, but not limited to-installing any electrical wiring, television or radio antenna, machinery, or air conditioning units or in any manner changing the appearance of any portion of the Building, without obtaining the prior written consent of the Board of Directors of the Association (in the manner specified in section 9.1 hereof). Approval of the Board of Directors of the Association shall not be required for repainting, re-carpeting a previously carpeted area, or otherwise redecorating the interior of a Unit provided the same complies with all other terms and conditions of this Declaration.
- 17.5 <u>Use of Common Elements.</u> The Common Elements shall be used only for furnishing of the services and facilities for which they are reasonably suited and which are incident to the use and occupancy of Units.
- Nuisances. No nuisances (as reasonably determined by the Board of Directors of the Association) shall be allowed on the Condominium Property, nor shall any use or practice be allowed which is a source of unreasonable annoyance to residents or occupants of Units or which interferes with the peaceful possession or proper use of the Condominium Property by its residents or occupants. No activity specifically permitted by this Declaration shall be deemed a nuisance.
- No Improper Uses. No improper, offensive, hazardous or unlawful use shall be made of the Condominium Property or any part thereof, and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction over the same shall be observed. Violations of laws, orders, rules, regulations or requirements of any governmental agency having jurisdiction over the same, relating to any portion of the Condominium Property, shall be corrected by, and at the sole expense of, the party obligated to maintain or repair such portion of the Condominium Property, as elsewhere herein set forth. Notwithstanding the foregoing and any provisions of this Declaration, the Articles of Incorporation or By-Laws, the Association shall not be liable to any person(s) for its failure to enforce the provisions of this Section 17.7. No activity specifically permitted by this Declaration shall be deemed a violation of this Section.
- 17.8 Floor Coverings and Sound Insulation. Without limiting the generality of the approval requirements set forth in Section 9 of this Declaration, no hard-surfaced floor coverings shall be installed in any Unit or its appurtenant Limited Common Elements unless same is installed with a acoustical cork insulation or alternative sound-absorbing backing meeting the requirements of the Board of Directors of the Association. A quarter inch rubber

isolation appliance pad must be installed under all washers and dryers. Ceiling fans must have a minimum one (1) inch shaft between the ceiling and the motor mechanism and must be installed with isolation pads. A one coat urethane membrane system must be installed (450 Vulkem or equivalent) under all terrace floor coverings.

- Exterior Improyements' Landscaping. Without limiting the generality of sections 9.1 or 17.4 hereof, but SUbject to any provision of this Declaration specifically permitting same, no Unit Owner shall cause anything to be affixed or attached to, hung, displayed or placed on the exterior walls, doors, terraces or windows of the Building (including, but not limited to, awnings, signs, storm shutters, screens, window tinting, furniture, fixtures and equipment), or on the interior side thereof so as to be visible to the exterior, without the prior written consent of the Board of Directors of the Association. Specifically, no "For Rent", "For Sale" or any other sign shall be displayed or exposed to view by a Unit Owner or other occupant. To insure a uniform appearance on the exterior of the Building, all window coverings, including, but not limited to verticals, shades, sheers, curtains, drapes, miniblinds and venetian blinds shall be faced on the exterior with a white material approved by the Association. The furnishings and decorations which Unit Owners may place in, on or about the terraces may be subject to such additional rules and regulations as the Board of Directors of the Association may adopt from time to time.
- 17.10 Handicapped Parking' Commercial/Recreational Vehicles and Trailers. Parking spaces designated as "handicapped parking" within the Common Elements of the Condominium are reserved for the exclusive use of the handicapped residents and guests. Except as permitted below, no commercial vehicles, campers, mobile homes, recreational vehicles or boat or other trailers shall be kept on the Condominium Property, in exterior parking areas or within covered parking spaces. For purposes of the foregoing, "commercial vehicles" shall mean those not designed or used for customary personal/family purposes. In general, vehicles shall have no more than four (4) wheels, two (2) axles, and be no longer than 17 1/2 feet. The absence of commercial-type lettering or graphics on a vehicle shall not be dispositive as to whether same is a commercial vehicle. The foregoing shall not prohibit, however, (i) the parking of otherwise prohibited vehicles on the Condominium Property in the course of providing services to the Condominium Property, the occupants thereof or the Association or (li) vans with windows which contain seating for at least four (4) persons, provided that such vans and trucks shall not bear commercial-type lettering or graphics. All vehicles kept on the Condominium Property shall be operational and in good condition. Only one vehicle is allowed to be parked in a parking space. In the event of doubt or dispute as to whether a vehicle is prohibited by this Section, the good-faith determination of the Board of Directors shall be binding and conclusive.
- 17.11 Relief by Association. The Association shall have the power (but not the obligation) to grant relief in particular circumstances from the provisions of specific restrictions contained in this Section 17 for good cause shown.
- 17.12 Changes in Permitted Uses. No amendments to this Section 17, any other provision of this Declaration governing the use of Units or the Common Elements or to any Rules and Regulations of the Association shall operate to prohibit the keeping of a pet, parking of a vehicle or leasing or occupancy of a Unit where same was (i) permitted prior to the effectiveness of the amendment, (li) being conducted in reliance on such permissibility and (iii) is continuing with the same pet, vehicle, lessee or occupant as existed prior to the effectiveness of the amendment. Likewise, no improvement made to or about any Unit (e.g.,

the installation of hurricane shutters) which was permitted at the time of its making shall be required to be removed by virtue of a change in the permissibility of such types of improvements.

- 17.13 <u>Cabanas/Beach Storage</u>. No exterior or structural alterations to the cabanas/beach storage shall be made without the approval of the Board of Directors. Maintenance, repair and replacement of cabanas/beach storage shall be at the sole expense of the Unit Owner(s) to which the cabana/beach storage has been assigned. There will be no exterior antennas, satellite dishes, cable or telephone hook-ups to the cabanas/beach storage. No airconditioning or heating system may be installed in cabanas/beach storage. Ceiling fans are permitted. Cabanas/beach storage may not be used for overnight accommodations. No pet shall be permitted in any cabanas/beach storage. No cooking shall be permitted in cabanas/beach storage or on Condominium Property adjoining such cabanas/beach storage. At the election of the Board of Directors, electrical bills for cabanas/beach storage shall be apportioned to cabanas/beach storage owners on a per-unit basis.
- 18. <u>Selling, Leasing and Mortgaging of Units.</u> Units may be made subject to mortgages without restrictions, but sales and leases thereof shall be subject to the provisions of this Section 18.
  - 18.1 Board Approval. There shall be no sale, lease or transfer of interest, legal or beneficial, nor transfer of possession of a Unit without the prior written approval of the Board of Directors of the Association. In the event a corporation, partnership, trust or other legal entity owns a Unit, the transfer of all or substantially all of the beneficial ownership of such entity shall be considered a transfer of interest in the Unit. In the event of leasing of Units, the Board shall have the right to require that a substantially uniform form of lease be used. No portion of a Unit (other than an entire Unit) may be rented. All leases shall provide (or be automatically deemed to provide, absent an express statement) that the Association shall have the right to terminate the lease upon default by the tenant in observing any of the provisions of this Declaration, the Articles of Incorporation, By-Laws, and Rules and Regulations of the Association. No lease shall be valid or approved for a term of less than one month. Regardless of whether or not expressed in the applicable lease, the Unit Owner shall be jointly and severally liable to the Association for the acts and omissions of his or her tenant(s) which constitute a violation of, or non compliance with, the provisions of this Declaration, the Articles, By-Laws and of any and all rules and regulations of the Association. The provisions of this Section 18.1 shall not apply to the sale of Units by the Developer. The provisions of this Section 18.1 shall not apply to a transfer or purchase by Institutional First Mortgagees which acquire title as a result of their mortgage lien on the Unit, regardless of whether the title is acquired by deed from the mortgagor or through foreclosure proceedings; nor shall this Section 18.1 require approval of a purchaser who acquires title to a Unit at a duly advertised public sale, with open bidding provided by law, including but not limited to an execution sale, a foreclosure sale, a judicial or a tax sale. No fee shall be charged by the Association in connection with the transfer or approval which is in excess of the expenditures reasonably required for such transfer, nor shall the expense exceed the fee permitted under the Act, from time to time, which at the time of recording of this Declaration is \$100.00. Any Unit Owner desiring to sell, lease or deliver possession of a Unit shall submit to the Board an application for approval, which application shall be in writing and in a form approved by the Association, and shall provide the name, address, and telephone number of the desired purchaser or tenant, the names of all intended occupants of the Unit, together with such other information as the Board may reasonably require. The Board must either approve or disapprove the request within ten (10) days after its receipt of the request or such supplemental information as it may reasonably require. If a sale is approved, a recordable Certificate of Approval shall be executed by the Association to be recorded at the expense of the purchaser. If a lease is approved, a written notice

of approval will be provided by the Association. The Board's failure to give the Unit Owner the Certificate of Approval or written notice of approval, or written notice of disapproval within the ten (10) day period shall be deemed to be the Board's consent to the same.

- 18.2 Option of Association: In the event any Unit Owner desires to sell, or lease his or her Unit, the Association shall have the option to purchase or lease any such Unit upon the same terms and conditions as are offered by the Unit Owner to any third party, subject to the following:
  - (a) Prior to the sale, rental, lease or transfer of any Unit to any person other than the transferor's spouse, a member of his or her immediate family, or a wholly owned corporation, the Unit Owner shall notify the Board in writing of the name and address of the person to whom the proposed sale, rental, lease or transfer is to be made, the terms and conditions of the sale or lease, and provided a copy of the purchase agreement or lease, with such other information as may be reasonably required by the Board.
  - (b) Within ten (10) days after its receipt of said notice and such supplemental information as it may reasonably require, the Board may exercise its right to purchase or lease, in writing, and shall promptly notify the Unit Owner of its decision.
  - (c) If the Board notifies the Unit Owner of its intent to exercise this option, it shall deliver to the Unit Owner the deposit required under the terms of the proposed sale or lease within the above mentioned ten (10) day period and shall then be obligated to close the sale or lease of the Unit in accordance with the terms and conditions of the proposed sale or lease agreement previously furnished to it. If the Board furnishes the Unit Owner with written notice of its intent to exercise the option, but fails to deliver the required deposit within the ten (10) days period, such failure shall be deemed to be a consent to the sale or lease to the contract purchaser or tenant. Approval of the sale constitutes a waiver of the option.
    - i. If the Board timely notifies the Unit Owner of its exercise of this option and accompanies its notice with the required deposit, the Association's obligation to purchase the Unit as provided herein may be assigned by the Association to any member or members as shall be determined solely by the Association.
    - ii. Upon receipt of the deposit and the Board's notice of intent to exercise the option, the selling Unit Owner may either close the proposed sale of his or her Unit with the Association or a member or members to whom the Association's obligation to purchase the Unit has been assigned or withdraw the offer specified in its notice to the Board. If the Association or the member to whom the option has been assigned fails to close the proposed sale under the terms and conditions of said notice, the deposit previously delivered by the Association shall be retained by the Unit Owner as liquidated damages and the Unit Owner shall thereafter be free to consummate the transaction with the party who made the original bona fide offer.

- No Severance of Ownership. No part of the Common Elements may be sold, conveyed or otherwise disposed of, except as an appurtenance to the Unit in connection with a sale, conveyance or other disposition of the Unit to which such interest is appurtenant, and any sale, conveyance or other disposition of a Unit shall be deemed to include that Unit's appurtenant interest in the Common Elements.
- 18.4 <u>Gifts and Devises, etc.</u> Any Unit Owner shall be free to conveyor transfer his Unit by gift, to devise his Unit by will, or to have Unit pass by intestacy, without restriction; provided, however, that each succeeding Unit Owner shall be bound by, and his Unit subject to, the provisions of this Section 18.
- Parking Spaces and Storage Cabanas. No parking space or storage cabana shall be assigned to a person or entity who/which is not also an Owner of a Unit. Each parking space and storage cabana shall become upon assignment a Limited Common Element appurtenant to the Unit to which it is assigned. Certain additional covered parking spaces under the building may also be assigned by the Developer, based on its determination of marketing factors, and upon assignment will be Limited Common Elements freely transferable among Unit Owners. Further, no parking space or storage cabana shall be leased to a person or entity who/which is not a tenant or Owner of a Unit.
- 19. <u>Compliance and DefaLJIt.</u> Each Unit Owner and every occupant of a Unit and the Association shall be governed by and shall comply with the terms of this Declaration of Condominium and all exhibits annexed hereto, and the rules and regulations adopted pursuant to those documents, as the same may be amended from time to time. The Association (and Unit Owners, if appropriate) shall be entitled to the following relief in addition to the remedies provided by the Act:

actually collected in respect of such negligence by the Association.

- 19.3 <u>Compliance.</u> In the event a Unit Owner or occupant fails to maintain a Unit or fails to cause such Unit to be maintained, or fails to observe and perform all of the provisions of the Declaration, the By-Laws, the Articles of Incorporation of the Association, applicable rules and regulations, or any other agreement, document or instrument affecting the Condominium Property or administered by the Association, in the manner required, the Association shall have the right to proceed in a court of equity to require performance and/or compliance, to impose any applicable fines or to sue in a court of law for damages.
- 19.4 <u>Costs and Attorneys' Fees.</u> In any proceeding arising because of an alleged failure of a Unit Owner or the Association to comply with the requirements of the Act, this Declaration, the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys' fees (including appellate attorneys' fees).
- 19.5 <u>No Waiver of Rights.</u> The failure of the Association or any Unit Owner to enforce any covenant, restriction or other provision of the Act, this Declaration, the exhibits annexed hereto, or the rules and regulations adopted pursuant to said documents, as the same may be amended from time to time, shall not constitute a waiver of their right to do so thereafter.
- 20. Termination of Condominium. The Condominium shall continue (unless earlier terminated by casualty loss, condemnation or eminent domain, as more particularly provided in this Declaration) for a term of thirty (30) years from the date this Declaration is recorded, after which time the covenants and restrictions contained in this Declaration shall be automatically extended for successive periods of ten (10) years, unless prior to the end of such thirty (30) year period or prior to the end of any successive ten (10) year period, an instrument is duly executed by all of the Unit Owners and by all record owners of first mortgages on the Units agreeing to terminate the covenants and restrictions herein contained at the end of such period of time, which dUly executed instrument shall be recorded in the public records of Pinellas County, Florida. In the event the Board of Directors intends to terminate the Condominium, notice must be provided to the Department of Business & Professional RegUlations. Division of Florida Land Sales. Condominiums and Mobile Homes of such intent before taking any action to terminate the Condominium. In said event, all easements and easement rights herein contained shall not be terminated, but shall continue in perpetuity although the Condominium Property shall be subject to an action for partition by any Unit Owner, mortgagee or lienor as if owned in common in which event the net proceeds of sale shall be divided among all Unit Owners in proportion to their respective interests in the Common Elements, provided, however, that no payment shall be made to a Unit Owner until there has first been paid off out of his share of such net proceeds all mortgages and liens on his Unit in the order of their priority. The termination of the Condominium, as aforesaid, shall be evidenced by a certificate of the Association executed by its President and Secretary, certifying as to the basis of the termination and said certificate shall be recorded among the public records of the County. The Association shall notify the Florida Department of Business & Professional Regulations, Division of Florida Land Sales, Condominiums and Mobile Homes within thirty (30) working days of such termination, which notice shall include the date the certificate was recorded, the county where it was recorded and the official records book and page number, and a copy of the recorded termination notice certified by the Clerk of Court.
